Description

Without doubt, this is one of Marbella's most elegant properties. Discreetly positioned in a privileged location in the hills above Marbella, offering total privacy and sumptuous views of the Mediterranean, lies this beautiful mansion. Elegantly designed with an Andalusian exterior and lovely blend of contemporary and traditional interior, the property satisfies every expectation. The exterior areas are an additional delight to behold with ample terraces for entertaining and dining all overlooking illuminated landscaped gardens with palm trees, manicured lawns and two beautiful swimming pools. All the rooms are spacious with high wooden beamed pitched ceilings and all have ensuite bathrooms that are modern and sleek. The materials used throughout are of first quality and have been thoughtfully selected and combine to give the property an air of harmony and peace. The fabulous courtyard entrance with cascading fountain is truly impressive and sets the tone for what is to come. As you enter, the first impression is of the cathedral ceilings and a spacious entrance hallway. The design of the house flows and offers delights at every turn. Lighting has been incorporated into the architecture that results in a wonderful ambiance that is often difficult to achieve in properties of this size. Offering features to satisfy every desire including a Spa area with a heated indoor pool, sauna with cold-water pool, a large Turkish Bath and Massage room. There is also a home cinema, games room with bar and a fully equipped gymnasium. The security and infrastructure of the property are to the same high level with CCTV both inside and outside the villa. There is underfloor heating and air conditioning throughout, central music system, automated curtains, and a lift to all levels. A simply stunning property in a secure gated community.
