Description

TWO BEDROOM -TWO BATHROOM STUNNING APARTMENT WITH TWO TERRACES WITH FANTASIC VIEWS Do not miss this opportunity to purchase this great property very close to the new 5 star Hilton Hotel and the exclusive resort of El Higueron West. The property is situated in a quiet residential urbanization where you have beautiful Gardens and two Olympic size swimming pools. As you enter the portal it is pristine condition and well looked after what you would expect in an exclusive area. The property is situated on the second floor as you enter the property you have a long hall way which includes main bathroom and to the right you have a really cool and modern Kitchen. The way the property has been designed as that you have all the Living and outside area facing south this lets a lot of natural light flood in to the property. The two bedrooms come of the Living room with master Bedroom including Ensuite Bathroom. The second Bedroom is a good size double bedroom. The current owners have created two good areas for enjoying the outside living, this is a great apartment situated on the border between Benalmadena & Fuengirola you have everything you need very close or a short drive away. The property is being sold with Parking and storage.
